-----------------------------	-------------------------------	--------------------------	--	--	---------------------	-------------------------------------	---------------------------

★ Every child parent and every adult member must sign their membership form to indicate they have read this Risk Assessment

Hazard Identified? / Risks from it ?	Who is at risk ?	How are the risks already controlled ? What extra controls are needed ?	What has changed that needs to be thought about and controlled
<i>Hazard - something that may cause harm or damage</i>	<i>Young people, Adults, Visitors ?</i>	Controls - Ways of making the activity safer by removing or reducing the risk from it. For example - you might use a different piece of equipment or you might change the way the activity is carried out	<i>Keep checking throughout the activity in case you need to change it...or even stop it! This is a great place to add comments which will be used as part of the review.</i>
